

GOVERNING BOARD COMMUNIQUÉ OF THE EUROPEAN UNIVERSITY OF TECHNOLOGY REGARDING THE SITUATION IN UKRAINE

EUT+ believes we must Think Human First – that means our full support for fundamental European values and democratic principles applied to Ukraine as a part of Europe.

EUT+ condemns Russian invasion in Ukraine causing immense human suffering and destroying Ukrainian infrastructure, including Universities.

EUT+ expresses its willingness to support students and academic staff of Ukrainian universities by offering scholarships, hostels and other available to help.

Flags of Ukraine flies in EUT+ campuses. We keep in close contact with our Ukrainian students to understand their current needs and to help by all available means.
